eCandidat enrollment procedure

• TERMS AND CONDITIONS :

I have to apply on the **University of Lille's website**, each year **starting March/April.**

I am invited to apply starting march if I want to apply for the 2021/2022 year.

After I chose the mention and the formation with the formation offer from the University of Lille, I will find in the Admission tab the dates and a link the application's platform. The Platform will be open only on the previously mentioned dates.

I will also find the prerequisites / admission criteria, the program as well as the training brochure on :

https://www.univ-lille.fr/etudes/decouvert-loffre-de-formation/

Attention: I have to apply online. Each deadline is unique to its formation. It is important to check and respect the deadline. I am invited to check the informations given by the formation's component website.

I will be asked to give :

- **A curriculum vitae** with a photo ;
- **A copy of my secondary scholar degree** ;
- **A copy of my grades** that corresponds with this degree ;
- **A copy of my Attestation of success** that allows you to go to Higher education (if it is required in my country) ;
- **A copy of my University degree** ;
- **A copy of my grades in this degree ;**
- If I'm from a country where french is not the official language, I will need to join **a certificate that demonstrare my knowledge of french** (DELF, DALF, TCF, TEF, French Alliance scholarship, french institute, in language center or language studies in a University's cursus ;
- **A proof of my current situation**: students pass, certificate of registration for students, contract copy and work certificate for employees ;
- If I can justify every professional experience according to the formation I wish to apply, I can put every piece I judge useful ;
- If I live out of France: **a birth certificate.**

Documents written in a language other than French must be accompanied by a translation into French by a sworn translator or by the French diplomatic services. All copies of documents must be certified as true to the original.

If I encounter problems with the platform, I can request assistance via the link :
